Student's Full Name.....

We will use the information you give us to ensure the safeguarding of our students and will be kept strictly confidential. As it may contain sensitive information, we need your agreement to process it. You can change your mind at any time by contacting the school but this may mean that the student is unable to take part in any supervised activity.

Consent to Data Processing

I agree to the student's personal data being processed Y / N

First Aid Consent

I agree that first aid and emergency medical treatment can be given to the student if needed.

I agree to ensure that a list of all allergies, medical conditions and medication with instructions are supplied to the school. As the school operates for limited hours on Friday and Saturday I will co-ordinate the timing of medication to ensure that the student is adequately provided for.

Photographic and Video Consent

From time to time, we may take photographs of the students at our school. We may use these images in our school's prospectus or in other printed publications that we produce, as well as on our website or school media accounts. We may also make video or webcam recordings for school-to-school events, monitoring or other educational use or share on the website or school media accounts.

Occasionally, our school may be visited by the media who will take photographs or film footage of a visiting dignitary or other high profile event. Students will often appear in these images, which may appear in local or national newspapers, or on televised news programmes.

To comply with the Data Protection Act 1998, we need your permission before we can photograph or make any recordings of the student.

I agree to the student's photograph / image being used as described above Y / N
